2. Key Centre Policies

- **Centre Priorities**
 - Integration of services within the centre

Well being of staff
Emotional well being of children
Literacy – particularly oral language
Development of the outdoor learning areas

3. Curriculum

- The **Core Values** for the Centre are: Family, Quality, Lifelong Learning, Fun and Team Work.
- **Specific curriculum approaches**
 - A play based curriculum which is guided by the SACSA framework.
 - Child Care children who are nearly 4 or over join the Kindy program with a child care worker to support them. This is our latest initiative to foster integration of services.
 - A continuous planning, assessing and reporting process which begins when children are enrolled at the Centre (anytime between 6 weeks and 6 years) and involves parents in supporting their children's learning.
 - We emphasise primary care giving throughout the centre
 - We emphasise strong and genuine two way relationships and partnerships with families
 - We are beginning to implement “Learning Stories” as a programming, planning and assessment tool
- **Joint programmes/special curriculum projects**
 - The Quality Improvement and Accreditation (QIAS) and accreditation processes ensure a culture of continuous improvement. During 2004 the Child Care Section of Clare Valley Children’s Centre was accredited by the National Child Care Accreditation Council. The centre received the highest possible rating for each of the 35 principles, and has been accredited for 2 years.

Role of the Director

The Leadership position is classified as a **Preschool Director Level 3** (PSD 3 Position)

The focus for this position is to provide leadership for a multi service site that provides high quality care and education services to children and their families within an Integrated Service provision context. It includes a .5 teaching role in the Kindergarten.

As the child care service operates 8:00am-6:00pm weekdays for 52 weeks of the year, out of hours work will be necessary. The Director is also site manager to all services in the Centre.

The Child Care service is run as a business. The Director works closely with the Finance sub-committee comprising parents and the Director. This Committee oversees a substantial budget including wages. . The Management Committee employs the staff in the Child Care service and delegates the day-to-day running of the service to the Director. There are 200 families using the range of services in the Centre.

The Director provides significant and positive leadership in developing and guiding the vision for the Centre.

Children are involved in a number of transitions: from home or Family Day Care to the Centre; from room to room within the Centre and from Kindergarten to School. The Director plays a proactive role in liaising with schools and the wider community, facilitating positive transition experiences for children and their families.

The Director works with the leadership team. This team consists of the Assistant Director who oversees child care. Each room also has a team leader – including Kindy/ Over 4, Over Two and Under Two. This team meets for the purpose of planning and coordinating centre events, and to foster planning and communication throughout the centre.

5. Centre Facilities

- **Buildings and grounds**

The centre is a new purpose built integrated service jointly funded by State and Commonwealth Governments. It includes a Kindergarten, a Child Care service, a Toy Library, Family Day Care and a multi-purpose room which is currently used as a child care sleep room for over twos. The centre also has a meeting room, a staff room, office and large administration area. The centre is adjacent to Clare High School.

The grounds incorporate several play areas, three storage sheds and a 40 space car park.

- **Capacity (per session)**

The kindergarten has a capacity for 40 children per session, and 48 places are available in the child care section during the day with 56 after 3pm.

- **Centre Ownership**

DECS

- **Access for children and staff with disabilities**

Relatively easy access and support available.

- **Other**

As an integrated centre, Clare Valley Children's Centre also offers a range of additional services to families within the community.

- A D.E.C.S. funded and community managed Toy Library operates from the Clare Valley Children's Centre site 3 hours, 3 days per week with outreach services to other sites in the district.
- Parent run playgroups operate within the centre on Friday mornings between 11.00am and 12.30pm.
- Child and Youth Health conducts Health Checks for children 0-6 years, parenting sessions and toddler programs.

6. Local Community

- **General characteristics:**

Clare is a country township providing a regional focus for the lower and mid north. The region provides significant opportunities for seasonal work. The children's centre attracts a Disadvantaged Area Subsidy on the basis of recognised social and economic needs within the community. There is some diversity in the population within the district however; the local community does not significantly reflect the cultural diversity of the South Australian community as a whole.

The children come from a range of geographical situations- rural, isolated and urban. Most children enrolled are from English speaking backgrounds. The socio-economic backgrounds of the children are diverse.

- **Parent and community involvement in the preschool**

Families are involved in the management of the Centre through a Management Committee, and related sub committees. Parents also assist with daily programs, and other tasks that assist the service.

Schools to which children generally transfer from this Kindergarten.

The Kindergarten feeds into 9 schools in the district. These include St Joseph's Catholic School (Clare), Vineyard Lutheran School (Clare), Blyth Primary, Clare Primary, Watervale Primary, Spalding Primary, Auburn Primary, Mintaro/Farrell Flat Primary School and Horizon Christian School, Balaklava.

7. Further Comments

Partnership/incorporation arrangements with other groups

We currently operate under two constitutions as required by law.

The Clare Kindergarten and the Clare Valley Children's Centre Inc.

A private childcare facility "The Gums" is currently being planned for Clare and is expected to be operating from the beginning of 2006, while this will reduce the pressure on the demand for childcare places, it will be necessary to monitor the impact on the childcare business of CVCC. It will also be necessary to extend the transition program to include the new service.
